September is Head Lice Awareness Month. If you are not sure what a nit looks like, pull the nit from the hair and place it on a white paper towel or piece of paper. If it is brown, round on one side and pointy on the other with an antenna, then you are seeing a nit.

## Classroom Corner

### Woodlawn Preschool 1- Territorial

**Ms. Jeanette/Ms. Kristin**- My class will be learning about the letter p and the letter b and the number 5 and 1. Also we will be learning about family, friends, and being nice to one another. We will learning how to use paint, cut with scissors, and glue.

**Mrs. Starr**- Welcome to our classroom! I want to express how excited I am to have your children in the classroom. We are still working on getting familiar with each other and the classroom. We will be introducing scissors to the art area and talking about how to use them. Also, we will be working on getting to know each other and our daily routine.

**Ms. Sonia**- We will be exploring each area in the classroom and talking about each area and where the materials go when they are finished with them. We are also working on getting to know each other and our daily routine.

### Woodlawn Preschool 2- Upton

**Ms. Mickey/Ms. Nicole-** Thank you for choosing Woodlawn Preschool for your child's first education experience! We are excited to get to know your child and family as we start the year off. For the first couple of weeks of school, we will be getting to know each other, the class, the daily routine, and how to function as a class family. This is very important as it set the standards for the rest of the year.

**Mrs. Tami/Ms. Sarah-** We are still getting familiar with our room and classmates. We will be working on getting to know our daily routine and classroom rules. We will be introducing scissors to our art area and talking about how and where to use them properly. We are looking forward to another week of getting to know each child and their interests.

### Other Reminders

Please remember to check your child's communication pouch daily. This is where your child's teacher will send home important information.

Each child should be coming to school every day with a backpack, a blanket, a change of clothes, and dressed for the weather (a jacket or sweater, shoes, pants, etc.) You can dress your child in layers as the days are getting colder.

Please remember that if your child has a fever or has a bad cough or sneezing (colds, flu, etc.), it is best that you keep them home. It is that time of year, and we want all children to be at their best.

## Announcements cont.

Woodlawn Preschool is part of the Shared Service Alliance and we collaboratively work with two other centers here in Battle Creek. They are Take a Break and Garden of Dreams.

Thank you to Brandon J. for his donations to Woodlawn 2 and Addison A. for her donations to Woodlawn 1! Donations of Kleenex, washable markers, paper towels, toilet paper, glue sticks, and many others are always accepted.
