## Classroom Corner

### Woodlawn Preschool 1- Territorial

**Ms. Jeanette/Ms. Kristin-** We will be talking about the planetarium and the apple orchard. We will be discussing letters Rr, Tt, Nn, Oo and shapes and fall leaves. Please continue to work with your child to look for letters and cut them out of newspapers or magazines. Also, please make sure your child is dressed for the colder weather.

**Mrs. Starr-** The next two weeks, we will be discussing the signs of fall, the planetarium and the apple orchard. We will be working on fine motor skills, simple storytelling, shapes, colors, and letters Ss, Ee, Ll, and Tt. Please work with your child on learning the letters of their name by cutting them out of newspapers or magazines. The days are getting colder, please make sure your child is dressed for the weather.

**Ms. Sonia-** We will be exploring the signs of fall and talking about what we activities we can do in the fall. Please dress your child for the weather as the days are getting colder.

## Classroom Corner cont.'

### Woodlawn Preschool 2- Upton

**Ms. Mickey/Ms. Nicole-** We now have enough students to have both Ms. Mickey and Ms. Nicole in the Classroom! The students are signing in daily, which gives them the opportunity to practice writing their name. We are gradually introducing new materials into the classroom, such as magnifying glasses, streamers, scarves, and scissors. We will be adding paints, play doh and glue in the next couple of weeks. As we add items to the class, the children will learn how to use them in their work. The children will continue to learn by exploring and discovering. Thanks for your support as we continue to grow and learn as a learning team!

**Mrs. Tami/Ms. Sarah-** The next couple of weeks, we are using the children's interests to help develop fine motor skills during our small groups. We will be experimenting with colors and continue to help the children recognize letters in their names. We also will be working on problem solving and developing relationships with other boys and girls in the classroom. We received a donation of dry erase markers and paper towels from Zehariah's family. THANK YOU!

### Other Reminders

The days are getting colder which means that your child should be coming to school prepared for the day. Please send your child with a sweater and/or jacket depending on the weather for the day. They also should be coming to school every day with a backpack, a blanket, and a change of clothes. You can dress your child in layers as the days are getting colder.

Please remember that if your child has a fever or has a bad cough or sneezing (colds, flu, etc.), it is best that you keep them home. It is that time of year, and we want all children to be at their best.
